Parental involvement is a concept that Catholic schools across the nation have promoted for many years. The importance of engaging parents in the spiritual and academic education of their children has been an integral part of the Catholic school culture and is considered one of the unique strengths of Catholic education. In keeping with the concept of parental involvement, the tuition assistance policy states that a family must perform stewardship hours for Rayne Catholic at a ratio of one stewardship hour per each \$100.00 of tuition assistance awarded.
